In celebration of its 40th anniversary, Advanced Pediatric Associates hosted an "APA Cares Partner Charity Contest" on Facebook, donating \$10,000 to local nonprofit organizations! The partners, providers and staff are pleased to expand the caring they provide patients to some very deserving not-for-profit organizations in the community. Based on contest results, Advanced Pediatric Associates will make donations to the following organizations.

\$5,000 to Warren Village – nominated by Dr. Stephanie Stevens

\$2,000 to Hospice of Denver – nominated by Dr. Michael Kurtz

\$1,000 to Wild Animal Sanctuary – nominated by Dr. Paula Levin

\$1,000 to The Park People – nominated by Dr. Bradley Kurtz

\$1,000 to Colorado Public Radio – nominated by Dr. Freeman Ginsburg

Advanced Pediatrics was founded in 1972 and has locations in Aurora, Centennial and Parker, Colorado. The providers and staff are proud to have provided exceptional pediatric health care to several generations and hundreds of thousands of patients in the communities they serve over the last 40 years!
